THIEDE-FLIGINGER RANCLAND

SHORTHORN BULL AND BRED HEIFER SALE

FRIDAY – FEBRUARY 20, 1959

GREGORY, SOUTH DAKOTA

Gregory Livestock Auction Pavilion – 12:30 P.M.

*Gregory, South Dakota is located on Hiway No. 18
and is approximately 30 miles north of the Thiede Ranch*

40 BULLS...Nearly all big, rugged, two-year-olds with a few strong yearlings. These bulls have been specially developed for top range and farm herd use.

21 FEMALES ... A specially selected group of bred heifers – all from the Thiede herd. Many of these will have calves in the Spring.

*Two of the largest registered Shorthorn herds in the middle-west
have been making plans for a year for this feature auction.*

OTTO THIEDE & SONS, Burton, Nebraska, who were the top recorders in the American Shorthorn Breeders' Association for the past several years, are selling 26 bulls and 21 females, the very tops out of their 400 head cow herd. Their offering is sired by Sunrise Consul, sire of many winning steers. Calves sold each fall in their annual club calf sale, Femco Better News 6th, Scotsdale Justinia, Scotsdale Kilty. The females are mated to Louada Triumphant, Scotsdale Kilty, Chicago Fanfare 16th and Payroll Triumph.

FLIGINGER SHORTHORN FARMS, Hurley, South Dakota, owned by the C. R. Fliginger family and Melvin Schmeichel family, are consigning 14 big, strong aged bulls. Eight are by Ringleader Diamond, the sire that was in our show herd and produced on our farm. He was shown in every major Fair in South Dakota, including the South Dakota State Fair and the Sioux Empire, and was declared Grand Champion in every show. Three are by Femco Prince Royal 27th, also a show bull with Femco Farms of Breckenridge, Minn. One is sired by Femco Commodore, one by Femco Harmony, and one by Diamond Laddie, a son of Ringleader Diamond.

OTTO THIEDE & SONS
Burton, Nebraska

Otto Thiede, who was named builder of the breed in 1956 is looking over part of his 400 head cow herd in which he takes a lot of pride. He knows each animal by name and can generally give the complete pedigree from memory. That, however, is not his only love. His family comes first – his two sons, Edwin Thiede and Earl Thiede, also known from coast to coast and loved by all for their sincere interest in Shorthorns, for their keen knowledge of cattle, and their honest way of doing business. It has given him a great deal of joy.

And now we take a great deal of pleasure in introducing his grandsons, John Earl and Jim Thiede, sons of Mr. & Mrs. Edwin Thiede. They are his first love, as is the rest of his family.

THIEDE-FLIGINGER SHORTHORN BULL AND BRED

Standard Guarantee

OF

AMERICAN SHORTHORN BREEDERS

ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or not allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's disease of the state or county into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All animals sold in this sale will be backed by the above Standard Guarantee.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bang's Calftlood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.

FEMCO PRINCE BOB 5th, declared as the right kind in the Short-horn World Herd Bull Number 1957, page 41, "Bulls as You Like to See Them", has now proved himself as a great sire. His sons and daughters are just like him – deep, thick, smooth, and beefy. Come and see them ... they will sell here next year.

In manpower, too, our future for the progressive breed looks good . . . We introduce:

Vernetta Kay Schmeichel
and
Steven Schmeichel
grandchildren of
Mr. and Mrs. C. R. Fliginger
and son and daughter of
Mr. and Mrs. Melvin Schmeichel

These three herd sires are the sires of the Fliginger Shorthorn Farms consignment in this sale. Number 1 is Ringleader Diamond, sire of eight bulls in this sale. His get is smooth, beefy, and the right kind, as he was. He was the Grand Champion Bull at every major show in South Dakota in 1955. His sons are champions too.

Number 2, Femco Prince Royal 27th, was a member of Femco Farms show herd that did so well in the western show circuit. His get will also please you.

Femco Commodore sired the best pair for us at the South Dakota State Sale and Show and also left a wonderful herd of females at our farm.

MEMO

**Please Bring this Catalog
with You to the Sale!**

**WE'RE SELLING 40 SHORTHORN BULLS
THEY ARE BEING OFFERED BY TWO OF THE
LARGEST SHORTHORN HERDS IN THE MIDDLE-WEST**

This sale was planned a year ago to provide both purebred and commercial cattlemen a chance for wide selection of top quality breeding.

This offering will have special appeal for the large ranch operator who wants good, strong, aged bulls that have been specially developed and handled together, and are of uniform breeding and type. These bulls have not been pampered, although they will be presented in strong breeding condition. They are sound on their legs and feet, and are ready to go out and take it, and get the job done.
